To Our customers in Russia, the Ukraine:

Because we are unable to provide sales and support in a broad range of languages, particularly to our Russian and Ukrainian customers, we strongly recommend that you contact Cetus Aero for your specific questions concerning product line information, shipping issues and limited technical support.

Cetus Aero is a certified aircraft building and repair facility which provides complete professional technical support to its clients and all written technical documentation in Russian.

Van's also recognizes Cetus Aero Ltd. as builder of RV aircraft for the world market.
