Customer Support Position

Van's Aircraft is looking for a Customer Support person at our factory in Aurora, Oregon.

We need a front office person with RV building experience and strong customer relationship and management skills. Also required are good verbal and written communication skills, computer experience (MS Office, Syspro) and a patient, problem-solver personality. The ideal candidate will have built, finished and flown an RV, though builders of less desirable airplanes will be considered. Duties for an experienced RV pilot may also include sales demonstration flights, and representing Van's at airshows.

Compensation includes \$50-60k salary, health benefits, 401K and participation in Van's ESOP.

If you want to work for the best kit aircraft manufacturer in the world, email your resume with a cover letter to explain why you're the person for the job.
