Builders Number (assigned w/ emp kit) _____
Name: _____
Mailing address: _____ _____
Shipping address: (if different) _____ _____
Day phone: _____
Eve phone: _____
Fax _____
e-mail _____

Garmin avionics are available from Van's Aircraft. Prefabricated custom harnesses are required for most of these units. Van's has made arrangements for these to be fabricated and tested by Pacific Coast Avionics. Customers must indicate the appropriate length wires for their installation on the harness checklist form. Van's *cannot* tell you what the correct length is for your airplane. It depends on where the builder chooses to install the units, headphone jack location and other variables.

PLEASE READ AND SIGN BELOW

1. Customer-instigated delays may result in price increases.
2. Full payment in U.S. funds: (check, money order or Visa/Mastercard) must accompany order.
3. Prices are FOB Aurora, Oregon.

Some countries require an "Authorized Release Certificate" (also called FAA Form 8130-3, Airworthiness Approval Tag). Check box if you need one.

Signature: _____

Sold WITH pre-fabricated wiring harness			
Part number	Description	Price	Enter price
AV GARMIN GMA-347	Audio Panel/Intercom/Recorder	\$1845	
AV GARMIN GNC-420W	WAAS GPS/Com	\$6895
